

THE ROCKY ENTERPRISE SOFTWARE FOUNDATION

MINUTES OF THE BOARD OF DIRECTORS

July 10, 2024

A meeting of the Board of Directors (the “**Board**”) of The Rocky Enterprise Software Foundation (the “**Foundation**”) was held on the date set forth above at 9:00 a.m. PST, via video conference.

ATTENDANCE

The following directors, constituting a quorum, were present via video conference:

Louis Abel
Benjamin Agner
Brian Clemens
Mustafa Gezen
Neil Hanlon
Gregory Kurtzer
Sherif Nagy
Christopher Stackpole
Ted Tso
Mark Watson

The following directors were absent from the meeting:

Christopher DiBona
Taylor Goodwill

Also present at the meeting was:

JD Peters, legal counsel and secretary of the meeting

Each attendee could hear and be heard by all other directors throughout the meeting.

CALL TO ORDER AND INTRODUCTIONS

Mr. Clemens called the meeting to order.

BOARD DISCUSSION

First, the Board approved the minutes from the Board meeting held June 12, 2024. The draft minutes were previously circulated to and reviewed by the Board. The approved minutes will be entered in the Foundation’s Minute Book.

Next, Mr. Clemens provided a brief update on the Foundation’s financials. The Board discussed that the Foundation is interviewing a new bookkeeper and also discussed the need to appoint a Treasurer.

Next, the Board again considered the structure of the Foundation and how adjustments in the structure, whether as a 501(c)(6) or other alternatives, could help promote the Foundation’s mission. A discussion ensued and the Board discussed pros and cons of adjusting the Foundation’s structure.

Next, the Board discussed the status of the Foundation's sponsors and emphasized the importance of continuing to grow sponsorships and participation in the Foundation.

Next, Mr. Abel provided an update on the Rocky Linux Project. Mr. Abel discussed the progress that the team had made on Rocky 10, noting that versions were being pushed to the testing team and that things were going well from a distribution perspective.

Next, Mr. Hanlon provided an update on the Peridot Project, noting work was being done to improve the storage backends.

Next, the Board discussed FIPS certificate in the context of Rocky Linux builds and how achieving FIPS certification and FIPS compatibility will bring additional value to the Rocky Linux ecosystem.

Finally, the Board discussed the need to clarify the Foundation's charter with respect to what open-source licenses are compatible with the Foundation's mission. The Board also discussed how differing licenses could affect the Foundation's Projects. Mr. Clemens volunteered to prepare language for an amendment to the Foundation's charter to clarify the acceptable licenses.

ADJOURNMENT

There being no further business, the meeting was adjourned at approximately 10:00 a.m. PST.

Respectfully Submitted,

A handwritten signature in cursive script, reading "James D. Peters".

JD Peters, Secretary of the Meeting
